THE ~~ART~~ OF BEING KIND

When the Atlanta Humane Society began their Be Kind to Animals student art contest some 30 years ago, they were expecting a barrage of paintings and drawings depicting cats and dogs – maybe a few rabbits here and there. But when hedgehogs and lemurs began appearing, they knew this was not going to be your garden-variety art contest.

Peace. Love. Paws: *The Art of Being Kind* is a 144-page, hardbound anthology of some of the Atlanta Humane Society's favorites from over the years. The book features a kaleidoscope of animals, from camels and crabs to peacocks and penguins. Some bring a whisper, some a warning, but all of their messages are filled with love and hope, inspiring us all to widen our circle of compassion to include all beings.
