

Using the Grolier Online Research Portal

What is Grolier Online?

Cliff Valley students and their families have unlimited online access to the Scholastic research collection called **Grolier Online (GO)**. This service is available at school and from home using our Cliff Valley subscription. Grolier Online provides valuable educational content for children at every grade level. These resources help students explore new topics, learn how to research, and jump-start school projects.

Resources Include:

- Hundreds of thousands of prescreened, academically relevant **web links**, organized by age group and updated monthly.
- The **New Book of Knowledge Encyclopedia**
 - Full –text encyclopedia articles
 - Over 100,000 full-text periodical & newspaper articles
 - Biographies and timelines
 - Current events sources
 - Homework help, projects, and experiments
 - Games, puzzles, and quizzes
- **Reference works** including
 - Atlases
 - Dictionaries (English and English/Spanish)
 - Thesaurus
- Access to **Grolier Multimedia Encyclopedia**, a product for older students. Includes news features such as Today is... and News Now. It also has the interactive GO Atlas.

How do I Access Grolier Online?

From School

All classroom and library computers have access to Grolier Online. In the library, each computer has a link to Grolier Online. Click on the link for immediate access.

From Home

Use your internet browser to go to the site <http://go.grolier.com>. You will need to provide the school's user login ID and password. This information is not to be shared publicly and will be sent to each family via email. If you need the login and password, you can email kplatnick@cliffvalleyschool.org
